## **STUDENT COMMITMENT**

I have completed this form in my own words and handwriting. I have reviewed the Family Handbook and agree to follow the policies and practices contained in it, including the Dress Code and Agreement Regarding School-Provided Internet Access.

I understand that GCA is committed to the teachings and principles contained in the Bible and is dedicated to the glory of God. GCA has high expectations for all students, including spiritual, academic, physical, and emotional development. The school's desire is for me to achieve my God-given potential and to impact the world for Christ.

I understand that GCA promotes a biblical worldview based on its Statement of Faith. While students are always encouraged to ask questions about beliefs of biblical faith and other faiths, it is not permitted to actively promote a worldview outside what GCA endorses through its Statement of Faith.

The behavior of every GCA student directly affects the reputation of the student, his/her family, GCA, and the Lord Jesus Christ. In alignment with GCA's high standards, the school places a strong emphasis on behavioral standards and good attendance, including being to school and class on time. Students at GCA are expected to put forth their best effort, respect authority, and honor God. Students are not to be involved in illegal/immoral activities; speak or act in an obscene/profane manner; or exhibit threatening/disruptive behavior.

My signature below is an acknowledgement that I understand the nature of the spiritual, behavioral, physical, and academic standards of GCA, and that I agree to be held accountable for any violations of these standards. My signature further evidences my desire to be a member of the GCA student body.
